

## Bilingual Dolls

This is a great way to teach your child (three years plus) a second language using the comfort of a bilingual doll (40cm).

With the press of a palm, the doll says an English word or phrase followed by the selected second language. The timing is perfect for saying out loud with your child both language versions.

A written translation booklet that helps the child become familiar with the written words accompanies each doll.

**\$69.95** + \$9.95 Postage & Handling
