Special Needs

Every student is special, however some students face more challenges with schoolwork than others. We recognise the importance of supporting families and students with special needs.

We work closely with local professionals to establish correct diagnoses and remediation strategies for the student's specific learning needs.

We provide one-on-one help and support for students that:

- Have ADD, ADHD or learning disorder(s)
- Underachieve in exams
- Lack confidence & self-esteem
- Become easily distracted
- Are daydreamers
- Are gifted or talented learners
- Have difficulty completing homework
- Are anxious, stressed or overwhelmed
- Need to improve adult literacy
- Require adult numeracy skills
- Want bridging skills for university entrance
